Principal's Message

It is incredibly difficult to believe that June is here already. As a parent, I am most excited to know that I won't have to pack lunches for a few months! It has been a very busy year at Mundy's Bay with all of the activities that our students have been involved with. It has been great to see all the students taking advantage of everything offered to them at the school. Thank you to all the parents for their support throughout the year. Thank you for driving the students to all the games, coming to watch the games, coming to the assemblies, supporting our pizza program, bringing students for extra homework help on Thursdays, for finding spirit day wear for the students to come in, coming for parent interviews and for signing the agendas each night.

The staff at Mundy's Bay hope everyone has a safe and enjoyable summer. Hopefully everyone has a chance to enjoy a variety of activities over the summer months. Have a great summer.

"We Are the Villagers" Fundraiser

Thank you to everyone who has supported our fundraiser for "We Are the Villagers". Providing opportunities for children within our own community is awesome. We hope that all of our K-6 students enjoy the activities that have been set up for them to participate in on June 13. These students will be participating in a music class, a dance class and a variety of sports activities. Thank you to GBDSS for providing us with the opportunity to use their facilities on June 5 for our Grade 7-8 students. They will participate in a music class, a cross fit class, a variety of games in the triple gym and will also eat their lunch in the cafeteria.
